Thanks David,

We need a Comms Strategy as we discussed yesterday. If Paul is too busy maybe Kate

could help out on a one time basis. She knows the drill and is very fast at putting things together. If possible I would like to have a draft by COB Tuesday.

Thanks

Hi Mike,

See message below from CBD to Joel and Peter transmitting their 7 page letter. I also received a call from both of the CBD reps included in the email below. They both want to meet with us. Maya also wants to include some members of the local community in our meeting.

Have a nice evening.

David
